

ZINEMA7
HOTEL****

We were Astoria7. We are Zinema7.

Built on the foundations of what was for 4 decades the biggest cinema in San Sebastián, Zinema7 Hotel, formerly Astoria7, is a reflection of the city's passion for film. A stellar hotel in which every suite, every room and every corner pays tribute to the stars that have been at the Zinemaldi, our International Film Festival.

10 minutes walk from the center

Located in the peaceful neighborhood of Amara, its privileged location invites you to take a pleasant 10-minute walk along the recently remodeled green avenue of Sancho el Sabio to the romantic area, as well as to walk downstream Urumea towards its the Kursaal or bike to the epicenter of the hustle and bustle of the old town in 5 minutes.

Walking with attention to details will reveal the most authentic Donostia.
