

# Events and Meeting rooms

Built on the foundations of what was San Sebastian's biggest cinema, the **Hotel Zinema7** is a reflection of the city's passion for film. A stellar hotel in which every suite, every room and every corner pays tribute to the stars that have been at the Zinemaldia, our International Film Festival.

Located in the peaceful district of Amara, surrounded by green areas, it is just a short walk away from the Cathedral, La Concha, the Old Quarter or, following the riverbank, the Kursaal. A walk that, if done with attention to detail, will reveal the most authentic San Sebastian to you.

Hotel Zinema7: a stellar hotel.
